Good morning, Jane. I wanted to let you know that Embassy Berlin has thanked us for sending the letter and at this stage does not expect we will need a follow-up call. Thanks to Chad for offering.

Best wishes,
Katherine

Dear Derrick and Solveig –

I have just learned from our PDAA and our AA regarding a letter sent in August 2019 to all glyphosate registrants, of which Bayer is one. Please see the attached link for a copy of the letter. It refers to a California proposal regarding glyphosate.

Ex. 6 Personal Privacy (PP)

EPA's Assistant Administrator for International and Tribal Affairs, Chad McIntosh, has indicated that he would be available for a call with the Ambassador to talk further about this letter, if there is interest. He could be available on Friday morning (DC time) - tentatively 9am DC time could work at this stage.

Thanks and hope this information and the offer of a follow-up call is helpful.

Best wishes,
Katherine

Hi Katherine,

If you have that info or letter, can you please also cc Solveig Reeker, who works directly for our Ambassador.

Thank you for your help on this!

Hi Katherine,

Would you be able to please get me the contact information for the EPA Administrator's Assistant, so our Ambassador's Assistant can reach out to him/her?

Thanks,
Derrick
